From The Revd Anne Hardacre

AS I WRITE I am in the middle of a chocolate free February. (Yes, you did read rightly.) You will note that I have chosen the shortest month, though perhaps not the best year for this! Derek will have to keep a close eye on me, as I am very good at making excuses - 'they are chocolate chips not chocolate...

Actually I think we are all good at making excuses, especially for our sins. We blame our upbringing, our health, our circumstances, anything rather than ourselves and admitting our own responsibility for the wrong we do. There may be exonerating circumstances, but in the end we all have the choice to do right or wrong.

Lent is a time to admit our faults and take responsibility for them; to stop making excuses. It is a time to say sorry to God and ask his forgiveness and where appropriate to say sorry to the people we have hurt. It is a time to change our behaviour. When we do this, God promises to forgive us and remove our sins far away - 'As far as the east is from the west' the Bible tells us. He also offers us the help of the Holy Spirit as we seek to change.

People sometimes ask us, 'What are you giving up for Lent?'. Perhaps this year we could give up try, with God's help, to give up making excuses.

Have a Blessed Lent,

Anne

Please don't forget that from February our Sunday Morning Service will start at 11.15

GOD of love, passionate and strong, tender and careful: watch over us and hold us all the days of our life. Loving God, We thank you for our mothers, who gave life to us, and who care for us. We are blessed by their self-sacrifice and love.
Amen

HISTORY GROUP

ON MONDAY 17th February, Andrew Collinson outlined the history of Bellman Park, situated on the borders of Chatburn and Clitheroe. With an insider's view of the area - his family farmed Bellman Farm for 33 years - Andrew demonstrated via documentary evidence from censuses, newspapers, trade directories, maps, photographs and artefacts, the development of the site from early times to the present day. Bellman Farm, the last property in Clitheroe, used to be Bellman Inn or Hark to Bellman before 1825. Its first residents can be traced back to 1287. It is a little-known fact that from 1822-49 there was a racecourse on the site, ¼ mile long and attended by up to 5000 people.

Industrialisation began with three lime kilns burning lime for agricultural purposes. Limestone quarrying began with the advent of the railroad in 1850. Rowe and Carter, entrepreneurs from Blackburn started Bellman Lime Works in 1867. Respect was shown to James Carter by the erection of a monument with a drinking fountain. The Bellman Lime Kiln is the only kiln of its kind in the North of England, due to the loading of waggons from underneath. A working party has cleared the immediate site of trees, Andrew hopes that, with the awarding of a Heritage grant, work can now proceed apace to conserve this historic building, so that future generations can appreciate it. We look forward to accompanying him on a guided walk around the site in the summer.

In March we are supporting the LIVES on the LINE event (see page 3) on 14th. AND ENCOURAGE OUR MEMBERS TO GET THEIR TICKETS SOON This is a fundraiser for their Summer cmv folk festival weekend

On Saturday 18th April e are invited t join a conducted walk round Worston starting at 10 am at Worston Mission. Conducted by Brian Jerrery this is a free-of-charge event,

The next History Group meeting at the Village Hall will be on 11th May at 7.30 pm when our speaker will be Barbara Alty and her subject The History of Shaw Cottage, 1680—2020 the oldest occupied house in Clitheroe.

THE PARISH CHURCH

World Day of Prayer

At the Methodist Church ,Chatburn.
Friday 6th March at 2.00 pm
This year prepared by the women of
Zimbabwe

It was back in 2012 – eight years ago – that Zimbabwe was invited to prepare the 2020 World Day of Prayer. At that time, the country was facing many challenges.

Since then, Zimbabwe has gone through many changes notably the ousting of Robert Mugabe. But the new dawn that so many had hoped and prayed for has not happened. In fact, life for ordinary Zimbabweans is harder than ever.

Mothering Sunday

MOTHERING Sunday is a day celebrated by Christians in the United Kingdom. It is generally observed in parishes of the Roman Catholic Church, Church of England, as well as in the rest of the UK and many Anglican parishes throughout the world,

It falls on the fourth Sunday in Lent, exactly three weeks before Easter Day. Once observed as a day on which people would visit their "mother" church, it has become an occasion for honouring the mothers of children and giving them presents. Although it is increasingly being called *Mother's Day*, that name properly belongs to the American secular holiday which is quite distinct from the original Mothering Sunday.

At Downham we have long celebrated within a short family service thanksgiving for mothers, symbolised by the giving a small gift of flowers, this year on 22nd March at 11.15 am.

RAINFALL

MONTHLY rainfall figures have been collected at Downham for 151 years. As one would imagine there have been highs and lows. In 2019 we had 57.57 inches, which is above the average for the previous 10 years (51.74 inches) and well up on the 151 year average of 46.51 inches. However we were a long way short of 2012 which was the wettest recorded at 67.32 inches. RCA

BRIDLEWAY

After what felt like endless delays, work on the bridleway has begun. At the time of going to press almost half of the length has been excavated, fenced off and had the base layer of stone put down. It is therefore hoped that the section from Chatburn to Greendale will be complete within the next week or two (weather permitting), with the remaining slightly longer length from Greendale to Downham soon after.

It is hoped that the route will be opened for use as soon as work is complete, with an official "Opening" ceremony at some future date. RCA

GARDEN CLUB

WELL it is here again. March. Time to get digging and hoeing and of course The Annual General Meeting of your Garden Club. Time to meet up with friends you haven't seen yet this year, have a cup of tea and see what is going on in general in the club this year.

The first meeting is on Thursday 5th of March. At the Village Hall at 7.30 pm Everyone is welcome, come and see what we have to offer. CA

COFFEE CLUB

IT WAS a quiet affair at Februarys coffee club, due to holidays, appointments and maybe a few senior moments!

However everyone enjoyed the refreshments and good conversation. Our table looked less cheerful..as Frances and Peter were sunning themselves in the Carribbean, we're looking forward to hearing all about it. Due to an appointment ,we had to shut up shop early but thanks to the willingness of our members to "muck" in and clear up ,we were able to leave them in charge. Thank you so much ,we really appreciated your help. Looking forward to seeing you all on March 12th from 10.00 BL

DOWNHAM & TWISTON

AT the Downham WI, this month, we danced our way to the tea break. Sally Maxwell introduced us to 'Circle Dancing' which was really small snatches of folk dance from around the world. The music was enlivening and there was no stopping as we beat out the throbbing heart beat with our shoes. We were off on an international tour - the French always step to the left, the Bulgarians to the right; the Kenyans sweep their arms up to the top of the mountain and the South Americans sweep their arms to the moon. Mostly we got it, however when Sally showed us the 'ghost step' it really was a step beyond, so we sidestepped that one! In another era, Sally was a Greenham Common activist and when she spent time in the police cells she and the others could not dance, so she sang the melodies instead.

Next month is the Downham WI's 100th birthday party. Much preparation has been put into this along with an exhibition showing the archives, photographs and scrapbooks of many old and current residents of Downham and the Downham WI since its inception in 1920. Everyone is welcome to drop in and celebrate with us between 10.00 am and 2.00 pm on Thursday 19th March. Refreshments will be served. If you have a moment, please bring a cake!
